## ✦ REFORMED UNIVERSITY FELLOWSHIP ✦

Each week we'll sing together, hear about the activities and opportunities in our community, meet people, and Rev. Doug Serven will teach the Bible. RUF sponsors a ton of activities for you to get involved with if you wish. We have small group Bible studies throughout the week, conferences, road trips, service projects, prayer meetings, leadership teams, movie nights, parties and much more.

All are welcome regardless of personal or religious background. RUF is here for the "convinced" and the "unconvinced", the lost, the found, the burned, bored, cynical and spiritual. We invite you, no matter where you are in the process, to RUF.
